

Calimero

Egg shaped & small

Calimero is unique for its wonderful combination of colors, shape, size and durability.

Calimero was developed in the Netherlands by Floritec and exclusively grown and distributed in South East Asia by Dalat Hasfarm. Originally, the name "Calimero" was inspired from a cartoon character with an egg shell on his head. His famous quote was "You are big and I'm small" - the Pride of being small.

Dalat Hasfarm®

This flower owns a champion vase life of 20 days at least. With the cute shape and small size, Calimero is perfect for all-purpose decoration and ornamental display.
